roles including bridging gaps between communities and service agencies, providing culturally appropriate health education, and advocating on behalf of individuals and communities. LCHWTI participants develop skills in the following areas:

- Community health outreach
- Health promotion
- Individuals and group education techniques
- Effective communication
- Team building and conflict resolution
- Stress management and self-care
- Individual and community advocacy
- Cultural humility
- Leadership
- Service Coordination

For more information on this program, please contact Dr. Ashley Wennerstrom at [504-988-4007](tel:504-988-4007) or awenners@tulane.edu.
