

3 Reasons to Get the **COVID-19 VACCINE**

It's safe. Our country has a vaccine safety system to help make sure all vaccines are as safe as possible. You may experience some temporary flu-like side effects from the vaccine, but that's normal.

It's free. The vaccines are being purchased with your tax dollars, and you'll receive your vaccine at no cost, whether you have insurance or not.

It's good for us all. The vaccination will help keep you and others from getting COVID-19.
