New Users

If you are a new user, enter your email address below to begin the registration process.

Email

By providing your email address, you agree to receive emails from National Association of Community Health Workers.

2. Login with your username and password in the Existing Users section – you will be taken to a renewal form. Simply fill out the requested information to renew your membership!
NOTE: If your membership expiration date is more than 30 days away, you will not be able to access the renewal form. You will receive an error message. Try back later, once you are within 30 days of your expiration date.

OR

3. New users should enter the email they wish to use for their new account in the Email box under the “New Users” section. You will then be brought to a new user registration form – follow the instructions provided to set your password, fill out your information, and choose and purchase a membership!

To edit your profile information:

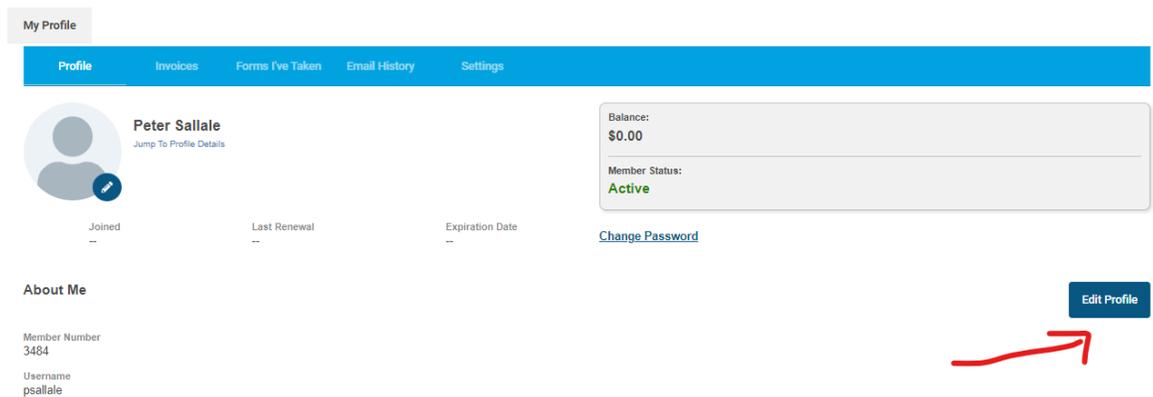

1. Log in to your account.
2. You should be in the member’s area. If you are not automatically taken there, click the “Member Home” link at the top-right of the page.

The screenshot displays the NACHW Member Portal interface. At the top left is the NACHW logo (National Association of Community Health Workers). A navigation bar contains a 'Join Now' button, a search box, and a 'Member Logout' button. A red arrow points from the 'Home' link to the 'Member Home' link. The main content area features a large green banner with the text 'Welcome to the NACHW Member Portal' and 'Peter Sallale' (CHW INDIVIDUAL MEMBERSHIP). Below the banner are links for 'My Profile' and 'Event Calendar'. A 'Welcome to the Members Only Area!' message is visible. On the right side, there are sections for 'Quick Links' (Membership Registration/Renewal), 'Upcoming Events' (No events, View Full Calendar), and 'Facebook Feed' (National Association of Co...).

3. Click on the “my profile” option.

4. Click on the “Edit Profile” button.

5. Edit your profile information as needed. Make sure to press “save profile” once you are done.
